Dear Parent/Guardian/Participant:

John Wesley Youth Group and Gosnold/The Prevention Partnership are participating in Project Sticker Shock, a national campaign that aims to reduce underage drinking by limiting youth access to alcohol. The goal is to educate adults who might provide alcohol to youth about the social host law that prohibits furnishing alcohol to minors. This is accomplished by having youth place warning stickers on customer bags, either at participating liquor retailers or delivering pre-stickered bags to the stores. It is important that your child has your permission to participate in this activity (note, no youth will be handling packages of alcoholic beverages). If you have any questions, please feel free to call Lisa Tischer at 508-540-2317

Terms:

I give permission for my child to participate in Project Sticker Shock.

I understand that the activity does not involve participants placing stickers on actual alcoholic beverages at the local liquor retail stores.

I understand that the activity does involve participants placing stickers on paper bags at the local liquor retail stores.

I understand that there will be adult supervision at the site to assure that reasonable and foreseeable safety precautions are taken.
